Budget Estimates (Disbursements) of the Police Department for the year 1902-03 received from the Inspector General of Police with his No 3945/292 dated 19th February 1902.

The amount provided for for 1902-03 is Rs 9,79,545 (excluding the amount of contribution paid by the mining Companies for the detective force) against Rs 10,45,674 in the previous year (current year) as given in the printed Budget for 1901-02, and against Rs 9,75,074 as given by the Inspector General. The amount of decrease on the former is Rs 66129, and increase on the latter is Rs 4471.

The exact amount cannot be given on account of some differences in the figures under Column 'Sanctioned estimate for 1901-02' between the printed Budget for 1901-02 and the Budget Estimates sent by the Inspector General. They are as follow:—

(1) Head - Quarters. 2

The decrease under this head is Rs 19468 due to the abolition of the post of Dy. Inspector General of Police and of the Head Quarters school Establishment, the Pro: Asst Supdts doing duty as Assistant Supdts.

The total given under 'sanctioned estimate for 1901-02' is Rs 109962. The printed Budget gives 105520. The difference of 4442 is shown in the margin. The portion of the house rent for the Inspector General's office is not stated.

3 The amount for 1901-02 given in the Budget is Rs 1,18,573. Deducting Rs 65000 provided for for construction & Repairs, the balance is Rs 53573, which includes a sum of Rs 515, local allowance to the Supdt. The figure given by the Inspector General is Rs 60356. This includes ~~7308~~ 6108 for the Bowringpet Taluk

This is included in the pay now given

4 Reserve Force, Bangalore, Tumkur &c

The figure in the printed budget is Rs 28452 not 28512.

6 Rural Force

The amount against Rural force is 533616 in the printed Budget and not Rs 536528. Rs 6000 against Distrct Police school charges has been omitted. The total should be 698970.

The above discrepancies were pointed out to the Inspector General of Police. In reply, he states that the figures noted by his office under the Columns "Sanctioned Estimate for 1901-1902" did not tally in certain instances with those given by the Comptroller in the printed budget, because the latter estimated in some instances according to the actual scale and transposed the minor heads of expenditure from one major head to another. (vide his letter No. 841 dated the 12th April 1902)

9

As regards the omission of Rs 19000 sanctioned for the construction of huts in the Kolar Gold Fields in the present budget, he states that it was not entered because it had been sanctioned once and fresh sanction was unnecessary.

This may be referred to the Financial Branch for issue of needful orders.

No. 3945/292 DATED Bangalore 10th February 1902

FROM

B. K. Venkatavaradacharyar Esqr,
~~THE~~ INSPECTOR GENERAL OF POLICE IN MYSORE.

To M. V. Narayindaiyya Esqr., M.A., M.L.
~~THE~~ SECRETARY TO THE GOVT. OF MYSORE,
in the GENERAL AND REVENUE DEPARTMENTS.

SIR,

I beg to submit herewith the budget estimates of the Police department for the official year 1902-1903, as called for in Government Proceedings no. 8586-8626/Al. 864 dated the 26th April 1901.—

2. The followings are the items of reductions:—

(a). The Deputy Inspector General having been appointed Superintendent of the Government Press, a saving of Rs 9960/. was effected.—

(b). Owing to the abolition of the Head Quarter Training School, the period for which

it had been sanctioned having expired, a saving of Rs 5908/. was effected. —

(C). As already intimated in this office letter no. $\frac{3617}{272}$ dated the 29th January 1902, the Head Constable, the Daffedar, the two first class Constables and the four second class Constables sanctioned in Government Proceedings no. $\frac{15046}{J.122}$ of the 9th March 1894, for the Kempinkote Gold Field in the Hassan District were abolished from the 1st February 1902; the mines having ceased to work. This caused a saving of Rs 1205/. —

(d). The Inspector on Rs 50 +15 horse allowance, the Head Constable on 25 +5 allowance, the five first class Constables, one second class Constable, and the four third class Constables temporarily sanctioned for the Bangalore-Nanjangud Railway Police were also abolished. This effected a further saving of Rs 2568/. —

(e). As the two Probationary Assistant Superintendents are officiating as Assistant Superintendents and their posts were not filled up, a saving of Rs 3600/. was

was effected. —

The only excess expenditure is that caused by the recent additions made to the Kolar Gold Field Police, causing an increase of Rs 12974/. —

4. There has been increase of expenditure under the head "Oil and petty stationery for Lamps"; but as directed in Government Proceedings no. Fd. 296 of the 15th August 1901, a similar sum has been deducted from the budget allotment for "Travelling allowance to Inspectors and establishment", and hence there has not been any change under this head.

I have the honor to be,

Sir,

Your most obedient servant,

Offg. Inspector General of Police.

NOTE.—Items of Receipts or Expenditure found wanting in the accompanying printed list, should be inserted in writing by heads of departments when preparing the estimates.

MEMO OF INSTRUCTIONS FOR THE PREPARATION OF THE BUDGET ESTIMATES.

Particular attention should be paid to the rules laid down in Chapter 10 of the Civil Account Code, Volume I, Article 155, and also to the following points :—

Estimated Revenue should be—

(1) For what is expected to be actually received during the year, including the arrears of past years.

(2) No net receipts to be entered, but the gross transactions in full.

(3) The estimate of receipts should not be merely an arithmetical average of three years' figures. The average is a guide, but it should not be taken absolutely.

(4) Every department should provide for the whole receipt with which it deals finally

(5) As regards Land Revenue, Forests, Excise, Mohatarfa and Sayer receipts, the following details should be furnished in a separate statement to accompany the Budget Estimates :—

A—Actuals of the Previous Year.

(*a*) Arrears at the beginning of the year.
(*b*) Current year's demand.
(*c*) Total.
(*d*) Collections—
  (1) On account of the arrears of the past and previous years.
  (2) On account of the current year's demand.
(*e*) Total.

B—Current Year's Estimate.

(*a*) Arrears at the beginning of the year.
(*b*) Current year's demand.
(*c*) Total demand.
(*d*) Collections—
  (1) Actuals during the first eight months.
  (2) Estimated collections during the subsequent months.
  (3) Total collections.
(*e*) Probable balance at the end of the current year.

C—Estimate for the Ensuing Year.

(*a*) Arrears at the beginning of the year.
(*b*) Demand proper of the year.
(*c*) Total demand.
(*d*) Estimated collections—
  (1) On account of arrears.
  (2) On account of the year's demand.
  (3) Total of (1) and (2).

Estimated Disbursements should be—

(1) For what is expected to be actually paid (under proper sanction) during the year including the arrears of past years—not for the demand or the liabilities falling due within the year. In no case net charges to be entered, but the gross transactions in full.

(2) Full amount of the sanctioned scale should be shown.

(3) The columns of No. must be carefully filled in, and the rate of pay should be stated.

(4) The estimates for varying charges, such as contingencies, travelling allowance, and the like should be made by taking the average of three years' figures only as a guide, but not absolutely.

(5) No new charge to be entered that has not been sanctioned by competent authority. The No. and date of order sanctioning fresh charges included in the estimates for the first time, must invariably be quoted. New or additional charges proposed, which are not sanctioned by Government, will be disallowed by this office.

(6) Every department will provide for the whole charge with which it deals finally.

NOTES.

1. Full explanation for the variation in the estimates with previous year's estimate should be given opposite such items.

2. The districtwar details for the estimates of receipts and expenditure of the Forest, Excise, Registration, Judicial, Police, Muzrai and Medical Departments, which are reviewed and consolidated by their respective heads of departments or controlling officers, may be prepared as heretofore separately in manuscript and attached to the printed form wherein the totals are given.

3. No supplemental estimates will be attended to by this office if not received by the end of March.

No. 841 Dated...12th April...1902.

Enc.

From

B. K. Venkatavarada Iyengar Esqr
Offg. INSPECTOR GENERAL OF POLICE IN MYSORE.

To H. V. Nanjundiah Esqr. M.A, B.L.
THE SECRETARY TO THE GOVT. OF MYSORE,
in the GENERAL AND REVENUE DEPARTMENTS.

Sir,

With reference to your docket No - 16137/J 1395 of the 31st March 1902 pointing out certain discrepancies in the proposed budget estimates of the Police Department for the year 1902-1903, I beg to state as follows:—

2. The figures noted by this Office under the Column "Sanctioned estimate for 1901-1902" are not those given by the Comptroller in his printed budget estimates, but those which were furnished by this Office to the Comptroller for the budget estimates for 1901-1902.— The figures in the Comptroller's printed budget—

estimates will be adopted in future.— Anyhow the figures given by the Comptroller and this Office would have tallied, but for the Comptroller estimating in some instances according to the actual scale and transposing the minor heads of expenditure from one Major head to another.—

3. The discrepancies pointed in the margin of the docket quoted above are explained before.—

(a) The difference of Rs 4442 under the head (1) "Head Quarters"

	Minor head of expenditure	Proposed by the Comptroller in his printed estimate for 1901-1902	Proposed by the Inspr. Genl. of Police in the estimate for 1901-1902	Difference
1	Pay of Superintendents	18000	23400	+5400
2	do — Asst: — do —	19800	16800	— 3000
3	— do — Probtry: do —	3000	3600	+ 600
4	Exchange on European family remittances	556	"	— 556
5	House rent for Police School students	"	1872	+1872
6	Distribution of Prizes to Police students	"	120	+120
		Difference		+4442

There was a vacancy of a 1st Grade Supt:

on Rs 450, and an Asst: Supdt: on Rs 250 was in charge of a District. The Comptroller calculated the cost of the Supdts: and Asst: Supdts. at 1 on Rs 450, 3 on Rs 350, 3 on Rs 300 and 3 on Rs 250 whereas the sanctioned scale is 2 on Rs 450 3 on Rs 350, 2 on Rs 300 and 2 on Rs 250 And this accounts for the difference in items 1 & 2. There were 2 Probtry: Asst: Supdts: of Police on Rs 100 to 200 and the Comptroller had provided Rs 3600 for the year 1900-1901 under this head.— The same amount was proposed by this office for the year 1901-1902 and it is not known how a reduction of Rs 600 has been effected by the Comptroller under this head.— No provision was made by this Office under the head "Exchange on remittance to Europe" and the last 2 items in the foregoing statement have been transposed by the Comptroller from the head "(1) Head Quarters" to "(6) Executive & rural Police."—

4. The difference of Rs 58 215 under the head Kolar Gold Field Police including Bowringpet

Taluk and Kempinkote Police Forces

(3) Gold Mines Special Police :—

	Minor head of Expenditure	Proposed by the Comptroller in his printed Estimate for 1901-1902	Proposed by the Inspr. Genl. in his Estimate for 1901-1902	Difference
1	Kempinkote Gold Field Force	"	1200	+1200
2	Bowringpet Taluk Police	"	6108	+6108
3	Construction of Police Lines	65000	"	− 65000
4	Exchange Compensation allowce	525	"	− 625
		Difference		− 58217

The first 2 items noted above have not been included by the Comptroller.— The Amount for the Construction of Police Lines viz, 65000, was not included in this Office Budget, as it was not a recurring expenditure and as the sanction of Govt: was not required a 2d time.—

5. The difference of Rs 60 under the head "Reserve Police"

The total strength and cost of the

Special Reserve Forces at Bangalore, Mysore, Tumkur & Shimoga including the temporary force of the Bangalore Special Reserve is noted in the margin and the same figures have been quoted by the Comptroller in the Budget Estimate for the year 1900-1901. A force consisting of 2 Sergeants 1 on Rs 14 and another on Rs 12 and 12 Constables, 3 on Rs 10 and 7 on Rs 9 at a cost of Rs 119 per mensem sanctioned for guarding the late Dewan's residence was abolished as per Govt. Procs: No- $\frac{1576-7}{J\,1549}$ dated the 22d May 1901. —

Inspectors $\frac{100+30}{1}$; $\frac{70+20}{1}$; $\frac{50+20}{1}$	4140
Drill Sergeants $\frac{20}{2}$, $\frac{18}{4}$	1344
Constables $\frac{60}{10}$, $\frac{98}{9}$	17784
Temporary force consisting of	
Sergeants $\frac{14}{2}$, $\frac{12}{5}$	1056
Constables $\frac{18}{10}$, $\frac{32}{9}$	5616
Total	29940

Deducting the cost of this force, the ~~strength~~ and cost of the Special Reserve for the year 1901-1902 should be (Rs 29940 - 1428) Rs 28512.

There seems to be an error in calculation in the figure given by the Comptroller in

his printed estimate.—

6. The difference of Rs 3088 under the head Executive rural police.—

The following statement shows the amounts proposed by this office and the Comptroller and explains the difference.

	Proposed by		
	Comptroller	Inspector General of Police	
Rural Police force	5-33616	5-36528	+ 2912
District School Charges	6000	"	-6000
		Difference	-3088

The Comptroller will be addressed to :— Kindly explain the difference and the discrepancy if any will be rectified in the next budget.—

7. As regards para 2 of your docket, I beg to state that the sum of Rs 19000 sanctioned for the construction of lines in the Kolar Gold Field has not entered in the budget because it

had been sanctioned 27 And fresh sanction

was unnecessary.

I have the honor to be

Sir
